SPIRITUAL DEVELOPMENT

St. Paul

March 9-16, **LENTEN EXHIBITION.** *The Eucharistic Miracles of the World.* This display includes 150 posters describing miracles dating back to the earliest beginnings of our church and others which have happened as recently as 2016. Some involve healings of illnesses and many more involve a change in the substance of the Sacred Host into actual human flesh and blood. Extensive research has been compiled by world renowned scientists on these and the results are astounding. Specific days and times are listed on the website at: www.pbcatholic.org.

March 13, **MINI LENTEN RETREAT :** *Up-close and Personal with the African-America Spirituals.* Glenn Buzzard has arranged a special treat for us. He and the St. Paul Sanctuary Choir have invited Mr. William Holt, Pittsburgh's legendary saxophone musician, to join them for an evening of music & discussion. The event, *Up Close and Personal with the African-American Spirituals* will have musical demonstrations and discussion about the music. Mark your calendar and come join us at 7:30PM. Event is free and open to the public.

March 21, **SEDER MEAL, AN EXPLANATION:** You will learn about the Seder Meal during this evening session at St. Paul. Although it is not a gathering for a meal as we know it, all the components of the meals are laid out and an explanation of their significance is provided. Seder is the traditional meal of Passover, the same one Jesus and the Apostles ate together at the Last Supper. Join in at 7:00PM on March 21st. The session is free and all are welcome. Please call the Parish Office if you plan to attend so that we have enough supplies for everyone.

St. Bruno
